

## **Angus Ventures Completes Acquisition of Claims in Wawa, Ontario**

**TORONTO, July 20, 2020 – ANGUS VENTURES INC. (TSX-V: GUS) (“Angus” or the “Company”)** is pleased to announce that it has completed the acquisition of 17 claims in the Mishibishu Greenstone Belt, Ontario (the “Claims”) previously announced in the Company’s July 6, 2020 news release.

In consideration for the acquisition of 100% interest in the Claims, the Company paid to the vendor of the Claims (the “Vendor”) \$50,000 in cash and issued to Vendor 225,000 common shares of Angus (“Common Shares”). The Vendor will maintain a 2% net smelter return royalty on production from the Claims, 50% of which can be purchased by the Company for \$500,000.

The Common Shares issued to the Vendor are subject to the statutory four months and a day hold period.

### **About Angus Ventures:**

Angus Ventures is a Canadian gold exploration company with a 205-square-kilometres land package located in north-central Ontario approximately 50 kilometres west of the town of Wawa and lies between Wesdome Gold Mines’ two producing mines.

#### **Forward-Looking Statements**

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This News Release includes certain “forward-looking statements” which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company’s future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as “believes”, “anticipates”, “expects”, “estimates”, “may”, “could”, “would”, “will”, or “plan”. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management’s expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company’s objectives, goals or future plans, statements, exploration results, potential mineralization, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to: the ability to anticipate and counteract the effects of COVID-19 pandemic on the business of the Company, including without limitation the effects of COVID-19 on the capital markets, commodity prices supply chain disruptions, restrictions on labour and workplace attendance and local and international travel, failure to receive requisite approvals in respect of the Transaction, failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in

exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in the Company's public documents filed on SEDAR. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
